1. Amended Award Conditions - FY08-09 Project Administration

***Award Conditions to the Financial Assistance Award
Between the Denali Commission and Alaska Energy Authority
For FY08-09 Project Administration
Award No. 01041, Amendment 3
March 2010***

All changes to the award conditions are noted below.

1. Scope of Work

This amendment reduces the amount of FY09 project administration funds due to a reduction in grant funds administered by Alaska Energy Authority (AEA). The revised funding amount for FY09 project administration is reduced by \$57,845 to \$235,361.

The administration funds are calculated at 3% of the total project funding for the fiscal year. The adjusted funding for FY09 is \$7,845,368, which reflects a reduction of \$1,928,175 as a result of a revised budget for the Ruby Rural Power System Upgrade project and removal of the Village End Use Efficiency Measures project. The funding for FY08 project administration remains the same at \$350,520, for an award total of \$585,881.

Allowable costs include the direct costs of AEA personnel time devoted to and identified on their timesheets for the performance of project management of FY09 awards. Also allowed are direct project management costs such as travel, contract work, etc. as further defined in the FY08-09 MOA.

There are no other changes to the original Financial Assistance Award, as amended.
